

## Out of the Oven in March

Are you as ready for Spring as we are? It is amazing how wonderful the sun is when it shines! Winter has been beautiful, but we long for breathing in that refreshing Spring air. We are excited about the what we have planned for March. It will be a delicious month!

**Irish Soda Bread:** A traditional Irish bread, our Irish Soda Bread is made with buttermilk and baking soda to leaven the bread. A deep cross splits the loaf. It is delicious at all times of the day! Make sure to reserve your loaf for your St. Patrick's celebrations. Available only for a short time, through March 20.

**Potato Cheddar Chive:** Comfort in a loaf, Potato Cheddar Chive is delicious with dinners such as pot roast, beef stew, chicken pot pie...We're serving it in the café with our Hot Ham & Cheese this month.

**Hummingbird Bread:** My mother used to bake a Hummingbird Cake whenever she had ladies coming over for lunch. A Southern specialty, it is filled with pineapple, bananas, pecans and frosted with cream cheese frosting. We are making this in a loaf for easy sharing.

**Lemon Cream Rolls:** Perfect for Spring. A light lemony cake iced and rolled for a delicious and beautiful presentation.

### In the Café:

Lent Specials:

**Great Harvest Tilapia:** We hand bread and grill (not fry) our tilapia and top it with our own homemade chipotle sauce. Served on Farmhouse White Bread.

**Salmon Salad:** We bake our salmon and then mix in capers, a little mayo, salt & pepper. Served on your choice of bread.

**Brooke's Tomato Dill:** Homemade tomato soup with a touch of dill. Yummy.

**Pimento Cheese & Bacon** on your choice of bread. A Southern tradition.

**Spinach Salad with Blueberry, Blue Cheese & Bacon with Sweet & Spicy Pecans:** Refreshing salad hits all of your tastebuds.

**Hot Ham & Cheese on Potato Cheddar Chive** with grainy mustard sauce: Satisfying and delicious sandwich on Potato Cheddar Chive, our March favorite.
